Subject: Review of Amended Notice of Intention to Commence Large Mining Operations, Energy Fuels Resources (USA) Inc., Energy Queen Mine, M/037/0043, San Juan County, Utah

Dear Mr. Filas:

Thank you for submitting updated contact information for the Energy Queen mine. The Division of Oil, Gas and Mining has reviewed the information and has the following comments that need to be addressed.

1. Form MR-REV needs to be signed by a person authorized to act for the company.
2. Please include the name of the registered agent which, according to the Division of Corporations, is CT Corporation Systems.
3. A surface facilities map was included with the amendment. It does not appear this map is intended to be part of the amendment, but please confirm this assumption.

Please call Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions about this letter.

Sincerely,

Paul B. Baker  
Minerals Program Manager
